## Gymbo

2,5 - 5 years

03/07 - 03/08  
20/08 - 31/08

This is our "classic" vacation camp that entertains children during the school vacations year-round. These combine all of the great things that Gymboree Play & Music has to offer: instructor-led games and activities on our PlayFloor, art & crafts following the theme of the week, musical moments of song & movement.

## English

4 - 7 years

03/07 - 03/08  
20/08 - 31/08

Have your child(ren) learn English this summer! In a playful, creative & musical environment, the English language is taught to age-specific groups. Using weekly themes, language skills are developed through art projects, songs, storytime & children's poetry.

**NEW**

## Dance

4 - 8 years

09/07 - 13/07  
20/08 - 24/08

Aimee will be hosting our Dance Camps this summer. During the week of July 9th Show Dance takes center stage (eg. musical theatre dance/jazz/freestyle). In August (week of the 20th) the spotlight will shine on Streetdance. Both weeks will culminate in a joyous performance which all parents, grandparents & friends are welcome to attend.

## Art

4 - 8 years

23/07 - 27/07  
27/08 - 31/08

Melvin is taking charge of our artists during the summer vacation. Painting, collage (cutting & glueing), sculpting, mixed-media and lots more! In July children will bring their favorite toy from home to use as "My Muse", the theme for the week. In August it is all about "Animals" as the children explore the various habitats of animals (circus, jungle, farm, etc.). Each week ends with an Art Exhibition for everyone to admire.

## Music

4 - 10 years

02/07 - 06/07  
16/07 - 20/07

Louiza & Melvin are orchestrating the Music camps. Their young musicians will be guided through the musical world of rhythms & notes using a variety of instruments. Individual development shines as does learning to creating melodic moments together as a group. A concert for family and friends brings the week to its crescendo.
